

Epson Roll Printer

The Epson roll printer makes an excellent companion to the CRC®-25 and CRC®-55t Families of Dose Calibrators, CRC®-Beta Enhanced Counter, CRC®-127R Dose Calibrator, CAPRAC® and the CAPRAC®-R Well/Wipe Counters.

This very compact printer is ideal in locations where space is at a premium. A built-in self-test function reviews the printer's condition. The Epson model uses an easily accessible ribbon cartridge that prints Red or Black. Selected for its long life and exceptional reliability, Capintec offers this printer as a valuable accessory to Capintec products.
