

Okidata Printer

For use with the CRC®-25R, CRC®-25W, CRC®-55tR, CRC®-55tW, and CRC®-127R, the Okidata Microline™ 320i provides for ease of use and rugged reliability. It is rated for 5,000 hours and offers Near Letter Quality documents plus high-resolution graphics with only 9 pins.

An automatic paper park feature lets you switch quickly to and from continuous feed paper to sheet-fed printing without removing the tractor paper. Tickets are easily inserted and properly indexed to print in the proper alignment, every time.
